Hello Dr. Crispo,

I wanted to let you know that your letter was included in the package of the Property Development and Planning Committee last week (meeting held Wednesday, March 29, 2017). There was some discussion about the contents of your letter and the appended documents, but there was no direction given to me or other members of the Administration by the Committee. Therefore, we will not be proceeding with a conveyance or sale or exchange of land with you and Dr. Ansell.

Please let me know if I can provide you any additional information. Brad Parkes is available to discuss next steps regarding resolving the issue of the encroachments.

Sincerely,  
Carol
