Dear Drs. Crispo and Ansell:

**Re: 2115 South Bay Road - Encroachments**

I have been forwarded a copy of your email to Ms. Kunto, dated June 5, 2018. I write in reply to that email.

As noted in my letter to you dated June 4, 2018, the University maintains that your encroachments onto its property must be removed before further discussions are held. Please remove the encroachments as soon as possible and in any event, by June 30, 2018.

With respect to the proposed community meeting, the University will not be participating, as this matter involves two landowners and their respective rights. The University has heard and considered your position, as articulated in your correspondence and at multiple meetings, and has made its decision based on that information.

Yours truly,

**FASKEN MARTINEAU DuMOULIN LLP**
